

PERFECT NO BAKE CHEESECAKE

Perfect No Bake Cheese Cake Mix is a convenient complete mix to prepare soft and creamy cheesecake in no time.

PERFECT NO BAKE CHEESECAKE

No Bake Cheese Cake is a convenient complete mix for the quick preparation of delightful cheesecake. It does not require any baking and makes cheesecake that is soft but has a good stability. It has a rich cheesy texture and a creamy mouthfeel. It is made using real cream cheese powder. No bake cheesecake has an excellent taste and flavour profile that perfectly complements any fruit or flavoured topping that you may like. It also has great freeze stability and creates perfect clean cut. This product can be used by professional and commercial bakers for preparing all kinds of cheesecake based desserts. Ideally recommended for Star hotels, Café chains, QSR's and restaurants, food service establishments and commercial bakers who sell cheese cakes or cheesecake based confectionery items.

RECIPE

CHEESECAKE MIX	200 gm
Water	250 gm
Whipped Cream	1000 gm
Mascarpone Cheese (Optional)	250 gm

INGREDIENTS

Sugar, Cream Cheese Powder, Milk Solids, Skimmed Milk Powder, Modified Food Starch, Stabiliser (E412, E410, E466, E401, E407), Emulsifier E471, Nature Identical Flavourings - Vanilla, Natural Food Colour (E160b).

PREPARATION

Using a whisk attachment, blend mix along with water at slow speed for 1 minute. Scrape the batter. Add whipped cream, Mascarpone Cheese(Optional) and blend again for 2 – 3 minutes on slow speed. Pour the batter into cheese cake mould and freeze for 2 hours.

Tip : Serve with caramel sauce.
